Group Show  
"Black"  
8 April – 12 July 2014  
Catalogue curated by Alberto Zanchetta

"A black blacker than black. Would it ever be possible?"

Nine artists interpreting the colour black: Addamiano, Atchugarry, Biasi, Dadamaino, Galliani, Pinelli, Simeti, Scanavino e Wilding. A selection of works from the Sixties until nowadays. Black becomes the common denominator in a show where artists with different careers meet each other, some of them for the first time, in a common reflection upon the numerous meanings of Black.

The exhibition will be previewed at MiArt Fair within an *ad hoc* setting, and then enriched and moved to the space of Dep Art Gallery in Milan.

A catalogue with texts by Alberto Zanchetta accompanies the show.
